*She is ready to be different than the other girls...or is she?*

Really? I mean really? Jessica....hello!!! This is not the time to sign up for Average Joe School of Boring. Do you really think you are going to get Ryan's attention by dressing like Amanda and Stephanie all of the time? They wear the same pink shoes laces every week. Jess, Jess, Jess, Jess, Jess. In this world, there are leaders and there are followers. There are bosses and there are employees. There are Great Danes and there are Toy Poodles. Would you rather be a Madagascar cockroach or just a plain old regular cockroach? No, I'm not calling you a cockroach. It's just an example. Please, stay focused. Don't you see, if we keep going to school dressing like everybody else, we just end up, well, like everybody else. Come on. Just repeat after me. I...am ready...to make a change...to take a stand...to show them that I am a leader...to show them that I am not afraid to have my own style. Are you with me? Excellent!!! Ok. Now, it's time to get creative. Tomorrow, let's...Oh, I know...let's wear our *red* shoe laces instead of our pink ones. Brilliant. Sometimes I just amaze myself.
